B&B La Respuchina description

This bed & breakfast at the Como Lake enjoys an unforgettable view on the lake and the pleasant lady of the house gives you a very warm welcome...

Purchased by the owners in 2003, the house has been completely restructured and furnished with family restored furniture or recovered from the antique's shop. On the second floor there are three charming rooms reserved for guests, each marked by a different style, color and name, all with balcony and beautiful view on the lake.
